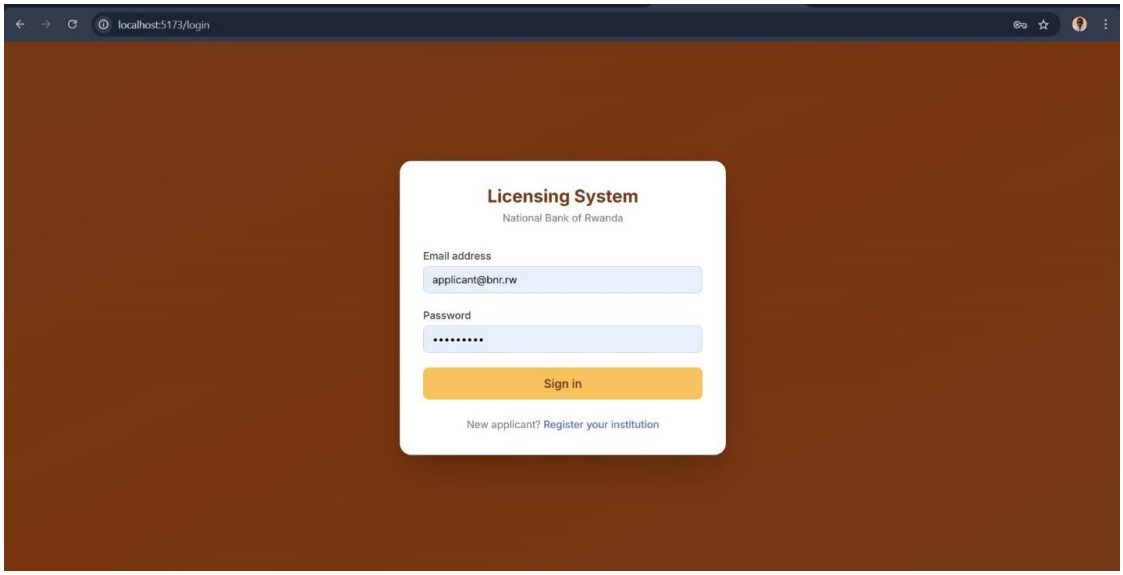
Applicant User Guide

This guide explains how to register, create, and submit a license application using the Licensing System of the National Bank of Rwanda.

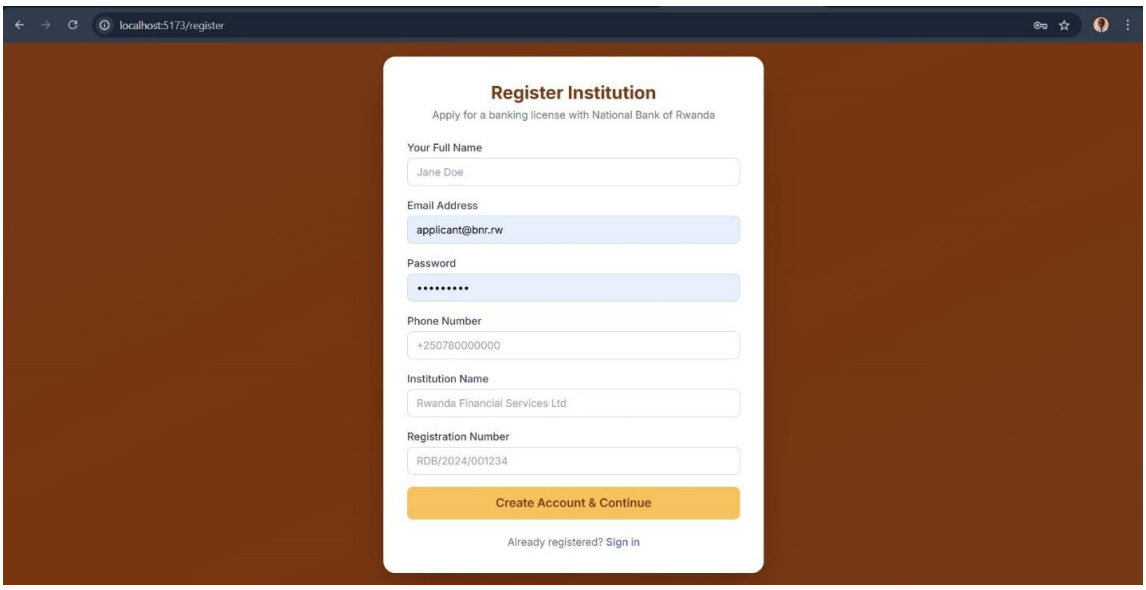
Step 1: Access the Login Page

Open the Licensing System and enter your registered email address and password, then click Sign In.



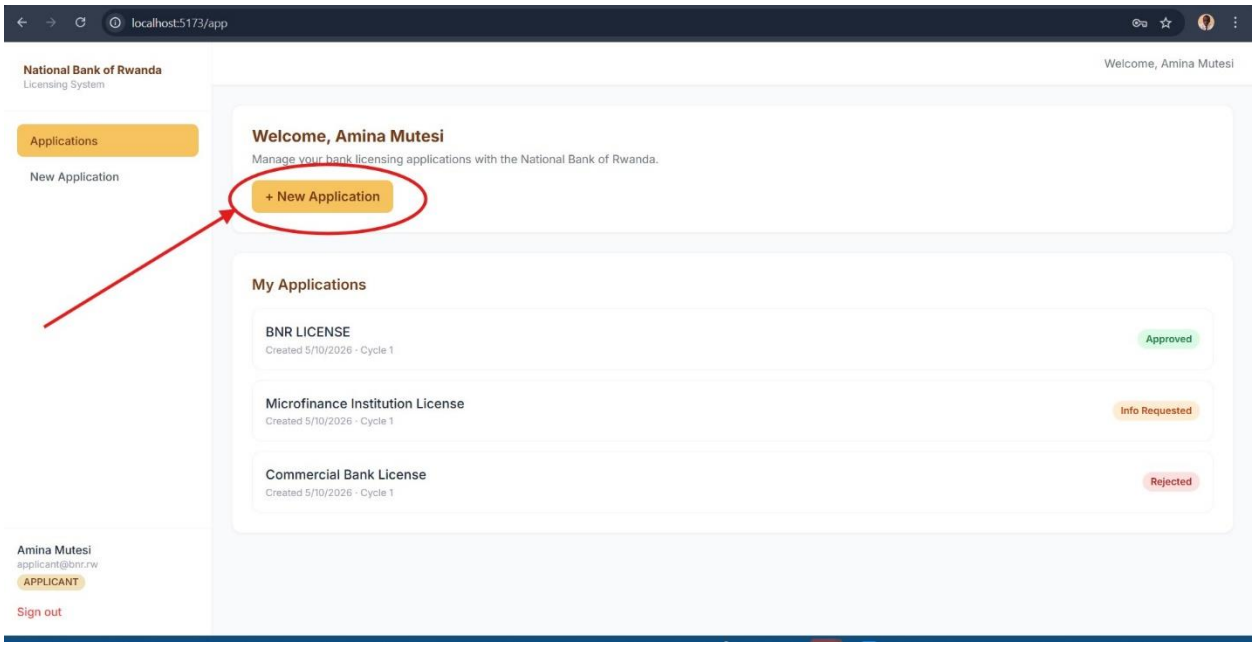
Step 2: Register a New Institution

If you do not already have an account, click Register your institution and complete the registration form with institution details.



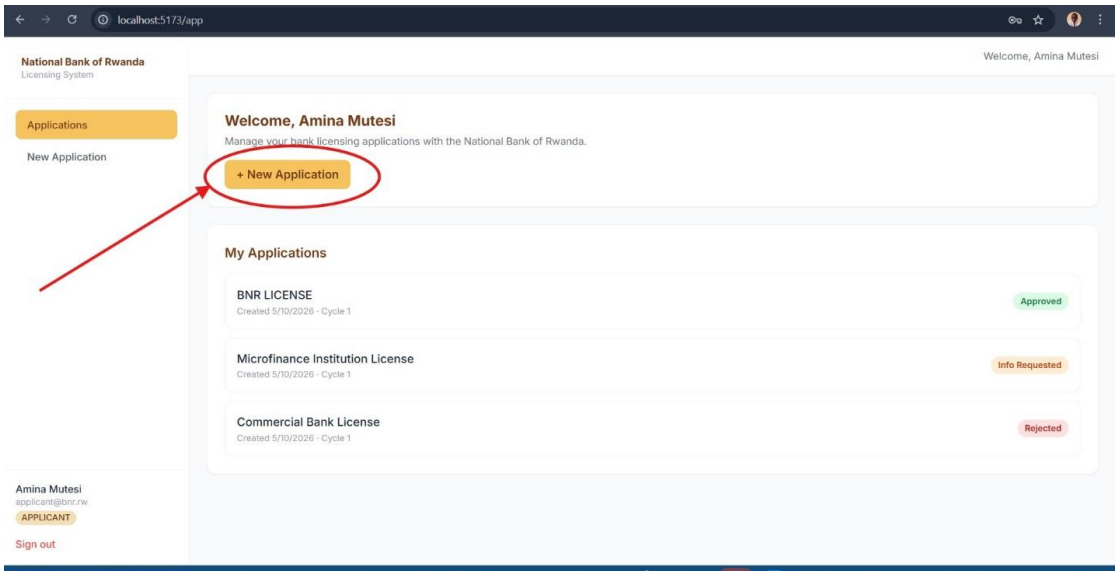
Step 3: Open the Applications Dashboard

After logging in, you will see the Applications dashboard where all submitted applications are displayed.



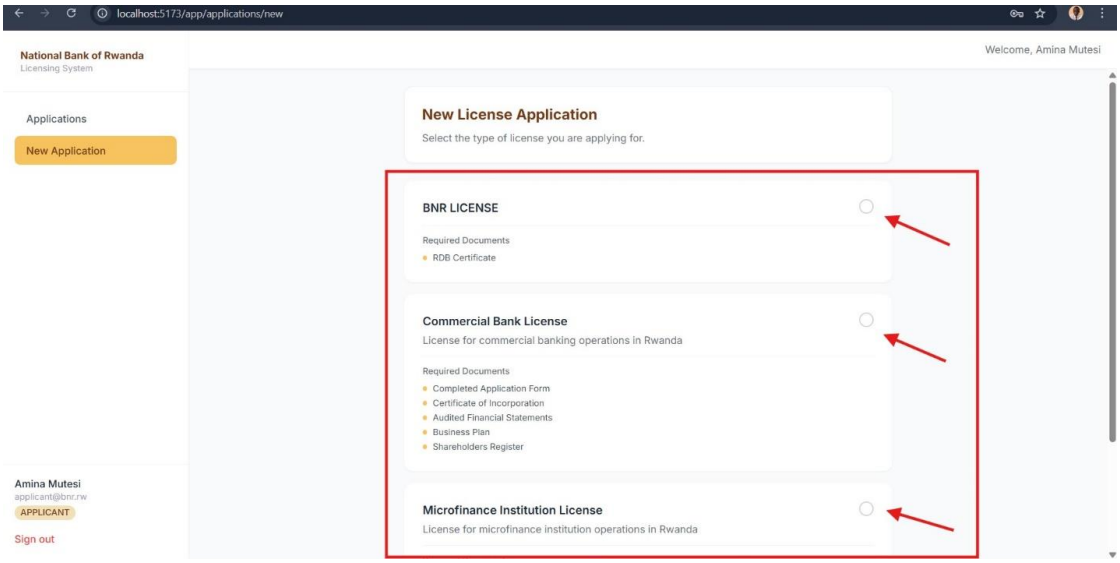
Step 4: Create a New Application

Click the New Application button to begin a new license application.



Step 5: Select the License Type

Choose the type of license you want to apply for, such as BNR License, Commercial Bank License, or Microfinance Institution License.

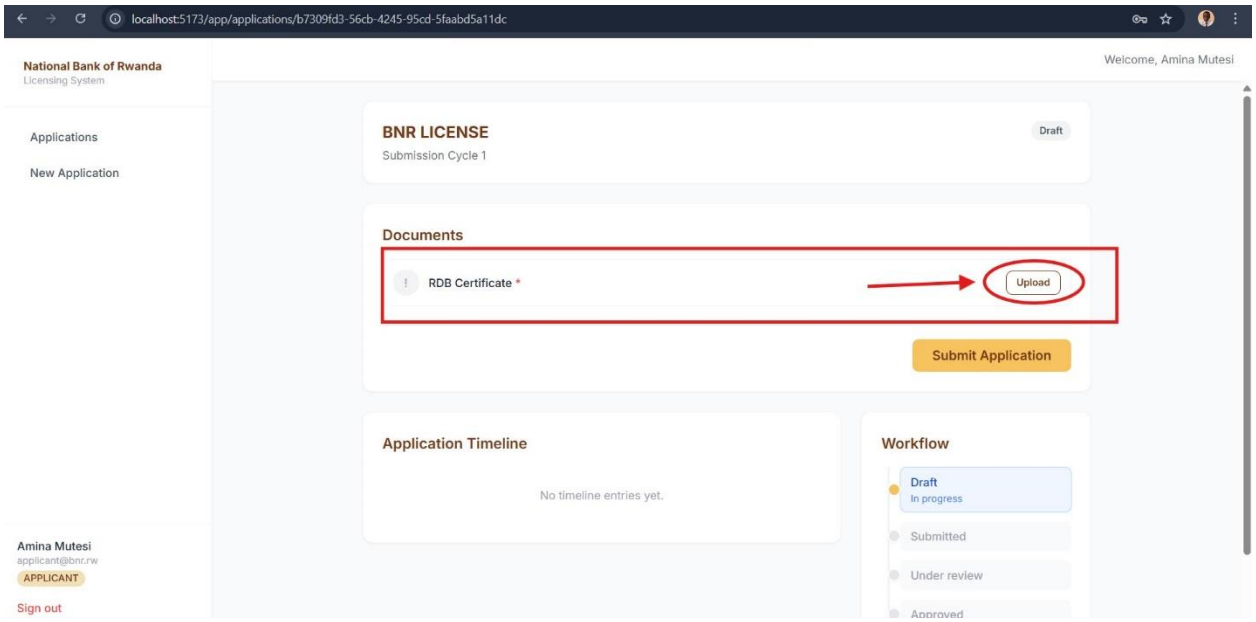


Step 6: Select the Desired License

Click the selection icon beside the preferred license option to continue.

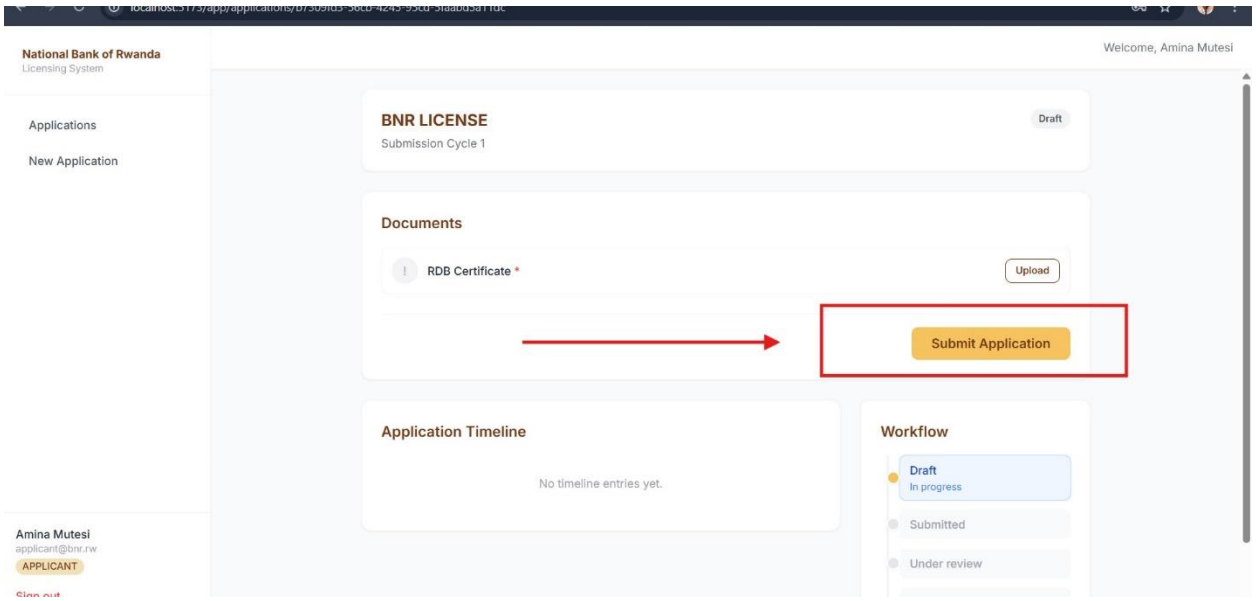
Step 7: Upload Required Documents

Upload all required supporting documents before submitting the application.



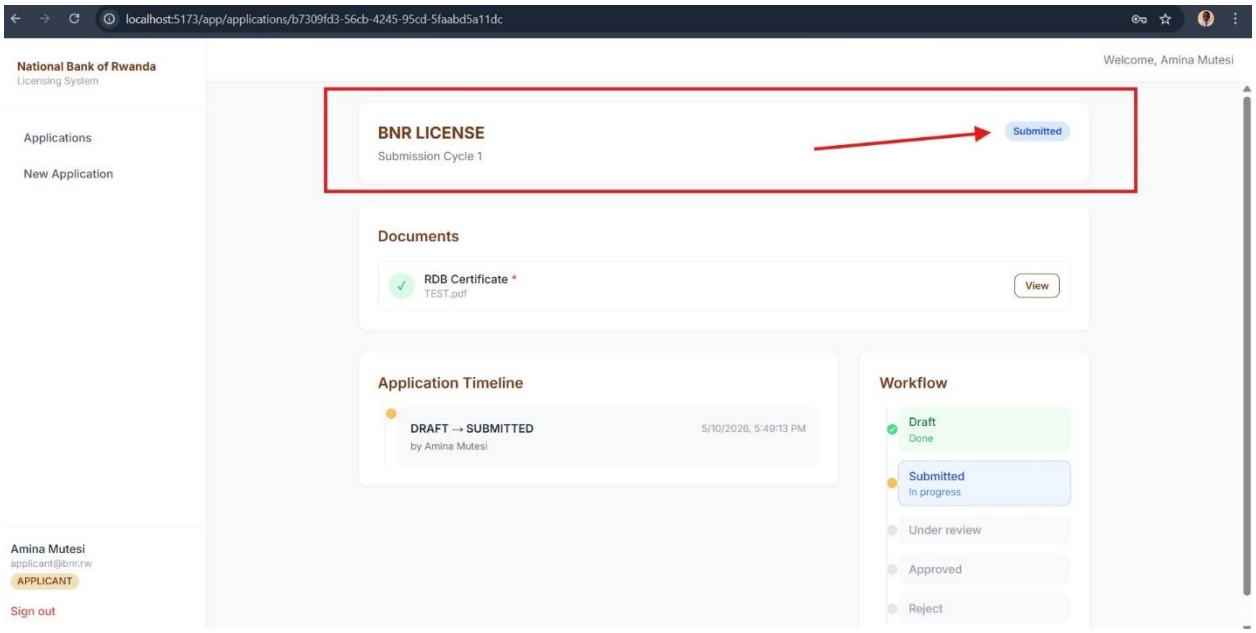
Step 8: Submit the Application

After uploading all required files, click Submit Application to send your application for review.



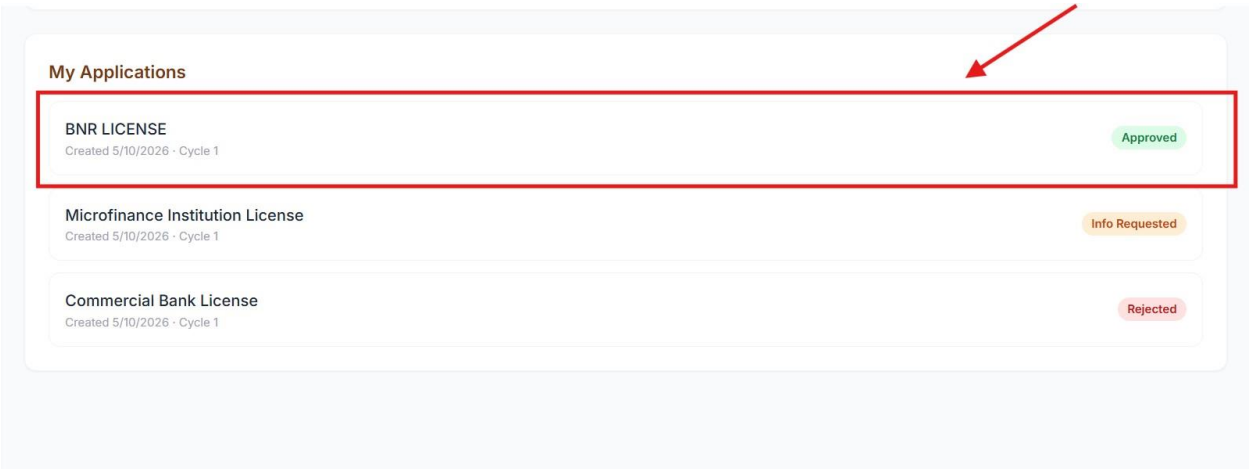
Step 9: Review Application Status

Once submitted, the application status changes to Submitted and can be tracked in the workflow panel.



Step 10: Monitor Applications

You can monitor all your applications and their approval status from the My Applications dashboard.



Important Notes

- Ensure all uploaded documents are clear and valid.
- Applications cannot be processed if mandatory documents are missing.
- Monitor the workflow status regularly for updates and approval notifications.
